Docket Nos. STN 50-498 and STN 50-499
Notice Regarding Withdrawal of Funds from Nuclear Decommissioning Trust Subaccounts

STP Nuclear Operating Company (STPNOC), acting on behalf of NRG South Texas LP (NRG South Texas), hereby provides Notice of a planned withdrawal of approximately \$416,000 from the large component disposal subaccounts in the NRG South Texas nuclear decommissioning trust funds (NDTs).

In accordance with conditions imposed by prior Order of the U.S. Nuclear Regulatory Commission (NRC), Section 2.04 of the trust agreements governing the NRG South Texas NDTs requires that Notice be provided to the NRC at least thirty days prior to any disbursement from the NDTs, other than disbursements to pay administrative costs. NRG South Texas created the large component disposal subaccounts pursuant to the terms of an Order issued by the Public Utility Commission of Texas on July 13, 2009. Since that time, funds have accumulated in the subaccount, and NRG South Texas LP now desires to withdraw the requested funds to pay for large component disposal expenses. Notice is also hereby given that further monthly or quarterly withdrawals are planned for 2010 in order to fund additional large component disposal activity.

This letter contains no new commitments.
