Director, Alliance for Nuclear  
Responsibility

Ladies and Gentlemen:

This is to acknowledge receipt of your letter dated December 31, 2009 to Chairman Gregory B. Jaczko concerning the Nuclear Regulatory Commission's update of the National Cancer Institute's 1990 study "Cancer in Populations Living Near Nuclear Power Plants."

A response is under preparation which will be forwarded to you shortly.

Sincerely,

*/RA/*

Annette L. Vietti-Cook
