Subject: Conference Call Summary - January 7, 2010 - Vogle Units 3 and 4 COLA - RAI 4184 related to SRP Section 19.0- Loss of large area Fires

On January 7, 2010, NRC staff participated in a telephone conference call with representatives of NUSTART staff (Related to Loss of large Area). The purpose of the call was to let the applicant know if the response they had provided to the various questions related to RAI 3409 were adequate or if they had missed any information that was required. The call focused on limited number of questions that the staff felt were not adequately answered and the applicant agreed that they would supplement their response with additional information. The applicant did not commit to a date to supplement their response

The NRC attendees were:

Manny Comar
Lynn Mrowca
Dennis Andrukat
Malcolm Patterson

Non-NRC attendees were:

- SNC: Wes Sparkman
- SCANA: Joe Gillespie, Mike Simpson
- Progress: Larry Taylor
- Duke: Randy Newton
- NuStart: Neil Haggerty
