Re: Transfer of Control Application for Radioactive Materials License 31-30187-01

Dear Ms. Johansen:

Further to our application dated November 18, 2009 and our phone conversation of December 21, 2009, this is to confirm that the proposed transaction between Libertytown USA 2 Inc., Quality Inspection Services, Inc., and John E. Sisson - originally scheduled to close on December 31, 2009 - did not close as scheduled.

We still hope to close this transaction early in 2010 and will notify you once we have a tentative closing date and when the transaction has officially closed.

Please let me know if you require any further information.

Best regards,

Oded Mizrahi
