Dear Mr. McKinley,

This letter is in response to your request for written verification as it relates to section 31.11.

We currently don't use and don't have in possession, any nuclear isotope materials (C-14 or Tritium) related to section 31.11. Upon review of all existing records, (17 years), we have verified that this procedure has not been performed at Charlotte Hungerford Hospital during that time period.

If you have any further questions, I can be reached at (860) 496-6552.

Thank You,

Jennifer Tyrion  
 Manager of Diagnostic Services  
 Charlotte Hungerford Hospital
