

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

SECRETARY

January 7, 2010

Don McKenzie, Administrator
Land Quality Division
Wyoming Department of Environmental Quality
122 West 25 St., Herschler Building
Cheyenne, WY 82002

Dear Mr. McKenzie:

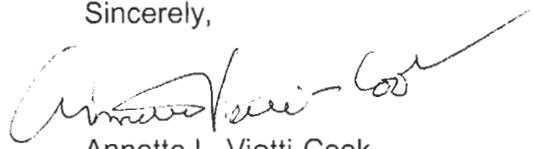

The Nuclear Regulatory Commission (NRC) invites you to participate in a public Commission meeting on uranium recovery regulation, Tuesday, March 2, 2010, at 9:30 a.m. The meeting will be held in the Commissioners' Conference Room on the first floor of the NRC's Headquarters building at One White Flint North, Rockville, Maryland. First, the NRC staff will provide a presentation on the status of uranium recovery activities, including license applications being reviewed under the new Supplemental Environmental Impact Statement process, experience using the GEIS, and groundwater protection. A panel of Federal representatives from the Environmental Protection Agency and Bureau of Land Management will then discuss the EPA's groundwater protection rulemaking and BLM's oversight of Federal lands. You would be on a panel with a broad spectrum of stakeholders, and the Commission is interested in hearing your state's views on NRC regulation of uranium recovery. I am enclosing a copy of the draft meeting agenda for your information (enclosure 1). My staff will keep you informed of any updates to the agenda.

The Commission requests you prepare a 5 minute presentation. This Commission meeting will be webcast live at the Web address: www.nrc.gov. If you intend to use viewgraphs they will also be posted on the NRC website prior to the meeting, and we would appreciate receiving your materials by February 23, 2010. PowerPoint or other electronic presentation formats are acceptable. Please email your materials to Ms. Rochelle Baval and Ms. Sandy Joosten (rochelle.baval@nrc.gov and sandy.joosten@nrc.gov) in the Office of the Secretary, If you have any questions, please contact Ms. Baval at 301-415-1651.

The Commission is able to offer travel funds for you to participate in the briefing, and Ms. Baval can provide you the name and contact information of the person who will assist you with getting travel authorization from NRC.

The NRC Headquarters building is located opposite the White Flint Metro Station on Rockville Pike and Marinelli Drive, Rockville, Maryland. The White Flint Metro Station is on the Red Line of the Washington area subway system. Reserved visitor parking for Commission guests is available. The Commission would welcome your participation and I look forward to your response.

Sincerely,

A handwritten signature in black ink, appearing to read "Annette L. Vietti-Cook". The signature is fluid and cursive, with a long, sweeping tail that extends to the right.

Annette L. Vietti-Cook
Secretary of the Commission
