=====Update 2010-01-11-0910 ET =====

Conference call record below is as to be submitted to the docket. This is the final update.

Attending for Xcel (Monticello), with their affiliations:

Ken Albrecht (Xcel)
Al Williams (Xcel)
Ken Gregory (Xcel)
Steve Hammer (Xcel)
Al Bailey (Xcel)
Randy Rippy (Xcel)
Lynne Gunderson (Xcel)
Kurt Schaefer (Xcel)

Attending for the NRC, with their affiliations:

Karl Feintuch (NRC)
Chakrapani Basavaraju (NRC)
Meena Khanna (NRC)
Peter Tam (NRC)
William Jessup (NRC, observing as part of his training)
Vic Shah (ANL)
Steven Hambric (PSU)
Samir Ziada (McMaster University, Canada)

The conference call started on time. RAI items were reviewed with clarification of some items relative to common industry practice, standard NRC practice, and where, among other licensed nuclear power plants, similar RAI items have been applied.

The call concluded after discussing when a response could be expected. This date will be decided after another discussion, but a response is anticipated near the end of February, 2010.

=====Update 2010-01-08-0956 ET =====

Tam joined, as the 8th participant. I am still point of contact for NRC participants for today. See below for attendees to this time.

=====Update 2010-01-08-0734 ET =====

7 people (see Update 2010-01-07-1732 ET for details) have accepted the 1100 ET (1000 CT) conference call. No other information has changed.

=====Update 2010-01-07-1732 ET =====

For more info about this MeetingPlace e-Conference, contact: Lynne Gunderson, 715 377-3430

=====Original Message=====

This Outlook invitation duplicates the email solicitation for the subject conference call, but makes it easier to monitor attendance decisions. The list of expected attendees is for:

[1/8/2009 at 11 AM Eastern Time \(ET\) corresponding to 10AM CT Conference call:](#)

- 'Gunderson, Lynne' (Monticello)
- 'Salamon, Gabor' (Monticello)
- 'Williams, Allen L.' (Monticello)
- 'Schaefer, Kurt T.' (Monticello)

Khanna, Meena (NRC)
Basavaraju, Chakrapani (NRC)
Pascarelli, Robert (NRC)
Feintuch, Karl (NRC)
'Hammer, Steven J.' (Monticello) Steven.Hammer@xenuclear.com
Steve Hambric (PSU) [\[mailto:sah19@arl.psu.edu\]](mailto:sah19@arl.psu.edu) supporting the NRC

Shah, Vic (ANL) vnshah@anl.gov supporting the NRC

Ziada, Samir (McMaster U, Canada) supporting the NRC.

Please ignore earlier messages, some of which discussed other meeting options which are no longer valid.

This Outlook invitation will be updated with bridge line information.

The draft RAI items remain as earlier distributed and will not be sent via Outlook again. Contact respective points of contact to replace copies.

Points of Contact:

- **Gunderson/Schaefer** should both be Cc'd by Xcel participants needing support.
- **Feintuch/Tam** should both be Cc'd by NRC participants needing support.

Verify that there are no export controls of concern for information moving internationally.
