Friday afternoon does not work for us. We will look for and propose an alternate date. We are looking at Tuesday the 19th right now.

Steve,

I propose that we do the weekly COLA call at 9am EST (8am CST) and the financial RAI call at 10am EST (9am CST). We can use my bridge line for both calls. Please confirm that these work for you.

In addition, please be aware that Luminant NuBuild has an all day planning meeting on Monday the 11th. It may be difficult to reach me by phone but I will try to periodically check my email.
