Dear Sir:

Please be advised that Critical Access Health Services Corporation, d/b/a Washington County Memorial Hospital, NRC License # 13-26497 -01 anticipates transfer of control to St. Vincent Health System, Indianapolis, In. on or about Feb. 1, 2010.

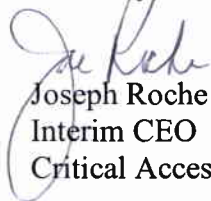

Dr. Abdelrahman Abdalla, MD, one of two authorized users will no longer be involved in any licensed activities as of Dec. 31, 2009. The current radiation safety officer, Mary Hacker, CNMT, BSRT(R)(N), will continue as RSO. There will be no changes in the location, facilities, equipment, or procedures as a result of transfer of control.

All radiation surveys, receipt of radioactive materials, and equipment quality control will be monitored and documented in the same manner as it is currently in order to continue to satisfy all federal and state regulations.

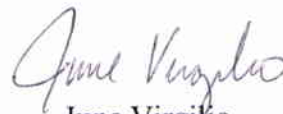

No decommissioning activities will be necessary since no interruption of service is anticipated.

St. Vincent Healthcare agrees to abide by all conditions of NRC License #13-26497-01 Currently regulating Critical Access Health Services Corporation.

Sincerely,

Joseph Roche
Interim CEO
Critical Access Health Services Corp.
