MOX Services has prepared responses to your RAIs on the security related plans. They are sending the documents to you via classified mail. After you look at the responses, please let me know whether we need to have a meeting with them or whether you have enough information to write your SER. Based on conversations last week with NNSA, completion of the MOU does not appear to conflict with the completion of our review. Thanks

Shaw AREVA MOX Services
Responses to a Request for Additional Information Regarding the Review of the
Physical Protection Plan for the Mixed Oxide Fuel Fabrication Facility. (U)

Shaw AREVA MOX Services, LLC (MOX Services) hereby responds to the U.S. Nuclear Regulatory Commission (NRC) Request for Additional Information (RAI) regarding the Physical Protection Plan for the Mixed Oxide Fuel Fabrication Facility (MFFF). The Safeguards Contingency Response Plan and Training Qualification Plan have also been updated to reflect these RAI responses. Our response to the RAIs is contained in Enclosure 1. The revised Physical Protection Plan, Safeguards Contingency Response Plan, and Training and Qualification Plan are in Enclosure 2, 3, and 4, respectively.

Enclosure: (1) Responses to Physical Protection Plan RAI (U)
(2) Physical Protection Plan Revision 1(U)
(3) Safeguards Contingency Response Plan (U)
(4) Training and Qualification Plan (U)

The enclosed documents are classified as Confidential National Security Information (CNSI) and must be protected and controlled accordingly pursuant to 10 CFR 95.
