Re: Consolidated Edison Company  
Indian Point Station Unit No. 2  
Docket No. 50-247 *(Supp)*

Dear Sir:

Some ten days ago the writer filed an appeal from the initial decision of the Atomic Safety and Licensing Board granting a provisional construction permit for Indian Point Station Unit No. 2.

I would like to be advised as to whether oral argument will be heard by the full Commission on this appeal and, if so, when.

I would appreciate your sending me a copy of the latest amended rules of the Commissioner relating to appeals to the Commission.

Very truly yours,

*Irving Lemov*
