Dear Dr. Seaborg :

We appreciate your letter of October 13 assuring us of the review of the Initial Decision on the construction application of Consolidated Edison for Indian Point Unit 2.

In preparing appropriate legal action, I sought to obtain a copy of the record of the proceedings of the Public Hearing held September 14-15 at Buchanan, New York. Counsel Irving Lemov, who has been retained just recently, was not present at the hearings and should know what is contained in the Official Record.

I sought through an associate in Washington to obtain a copy but learn that it is available only at \$.85 cents per page, or over \$400 for the transcript. This poses a hardship and an expense of a trip to Washington for either myself or Mr. Lemov.

Could you possibly arrange for us to borrow a copy or consult a copy here in your New York office. We could pay a nominal price for the proceedings.

Sincerely,

*Larry Bogart*
