September 21, 1966

September 16, 1966. We have no objection to the proposed form of construction permit. We do, however, suggest for the consideration of the Board that the "Atomic Safety and Licensing Board" referred to in line 5, paragraph 1, be further identified as the "Atomic Safety and Licensing Board designated in the Notice of Hearing published in the Federal Register on July 30, 1966, 31 Fed. Reg. 10 331."

The undersigned has, this date, filed twenty (20) copies of this letter by mail with the Secretary of the Atomic Energy Commission. Copies of this letter have been served by mail upon the persons named in the attached Certificate of Service.

Respectfully,

Joseph F. Scinto
Counsel
