Gentlemen:

I have written to petition the chance to intervene at the public hearings now set for August 31, for the Commission's consideration of Consolidated Edison's proposal to build a new atomic plant at Indian Point (Indian Point Station Unit No. 2).

I would very much appreciate the opportunity to present a statement in opposition to the proposed atomic plant at this site, at the Buchanan Engine Co., No.1, Inc. Albany Post Road, Buchanan, New York, on August 31.

Thank you.

Yours truly,

*Elizabeth R. Hogan*
