TELEPHONE CALL TO VALENTINE DEALE REGARDING FORTHCOMING HEARINGS

50-247 - 249

With reference to our memorandum to the Commission regarding the establishment of the Indian Point II and Dresden 3 Hearing Boards, I called Valentine Deale to determine his interest and availability in "sitting in" on one of these two hearings. He expressed considerable interest in doing so and I agreed to send to him material on the Indian Point II. If Dresden 3 is also reported by the ACRS, he expressed interest in sitting in on both cases providing the hearings are scheduled on different dates.
