

Clifford K. Beck, Deputy Director
of Regulation

June 27, 1966

(Signed) HLP

Harold L. Price, Director of Regulation

HEARING FOR CON ED. (INDIAN POINT 2)

50-247

Arvin Upton called again today. They will not press for a notice prior to the July AGRS meeting. They would like to have the hearing scheduled for August 22. After discussions with Dick Doan and Howard Shapar, I called Arvin Upton back and told him I thought this date would be feasible.
