Dear Mr. Wilson:

I am pleased to respond to your letter to the President expressing concern about the Indian Point Station, particularly that a public hearing should be held before an operating license is issued for Unit 2.

Enclosed is a copy of the AEC's Notice of Hearing for Indian Point 2 which sets forth the time and place of the hearing, and the procedure by which a member of the public may participate in the hearing either as a party or by means of a limited appearance.

I also am enclosing a copy of 10 CFR Part 2, the Commission's "Rules of Practice," which sets forth the various procedures applicable to the conduct of public hearings. I would invite your attention in particular to section 2.714, 2.715 and Appendix A.

Sincerely,
