RECEIVED  
ATOMIC ENERGY COMMISSION

1970 DEC 21 PM 3 40

Mr. Samuel W. Jensch, Chairman  
Atomic Safety and Licensing Board  
U.S. Atomic Energy Commission  
Washington, D.C. 20545.

Dear Sir:

In connection with re: Consolidated Edison Co., Inc. N.Y. ( Indian Point Station No.2)  
Docket No. 50-247, I am in receipt of your communication dated Dec. 14, 1970, that  
quite apparently omits my name from your list of speakers, and I can only assume that  
if present, I could file my statement at the Hearing.

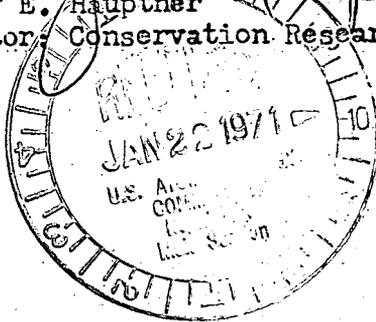

OFFICE OF  
COMMISSION EXAMINERS

However: Due to a continuence of some internal trouble, and at this time finding our  
area in the throes of a violent Northeast storm, with gale winds and snow that no  
doubt will result in dangerous road and driving conditions, I feel compelled to omit  
being at the Hearing and instead mail copy of my statement direct to your office you  
will find enclosed herein, and in closing, I would make the following requests:

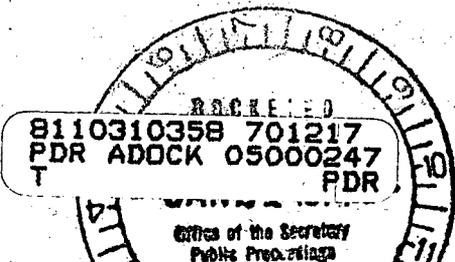

Would you be kind enough to acknowledge this letter; and copy of my statement? Al-  
so; can I be assured that my entire statement will become a legal part of the rec-  
ords of this matter: Docket No. 50-247.

Thanking you for giving this your kind attention, and eagerly awaiting an early re-  
ply, I am;

Sincerely,  
*Harvey E. Hauptner*
