955 Washington Street
Peekskill, N. Y.

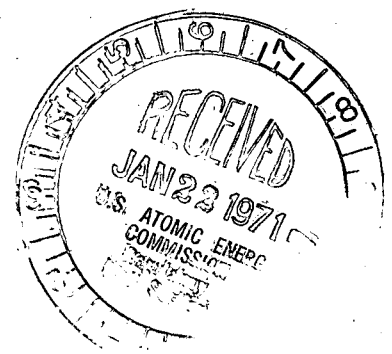

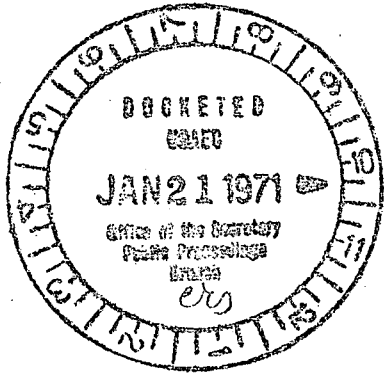

RE: Docket No. 50-247

Dear Mr. Jensch:

I regret that I cannot appear before the Commission relative to the application of Consolidated Edison Company for a license to operate the Indian Point #2 nuclear plant. Attached, however, is a statement for your consideration expressing the position of the Interdepartmental Committee on Public Utilities, established by Executive Order of Mayor John V. Lindsay.

Sincerely,

Milton Musicus
Chairman
