Attention: Chief of Public Proceedings Branch

Sir:

This notification will signify respectfully my intention to make a limited appearance at the proceeding pursuant to the provisions of 10 CFR Sb 2.715 of the Commissions Rules for Practice in the matter of Consolidated Edison Company of New York, Inc. at 10:00 A. M., local time, on December 17, 1970, in the New York State Armory at 955 Washington Street, Peekskill, New York, with reference to Indian Point Nuclear Generating Unit No. 2.

My mission will stem from unanimous agreement of the officers and directors of The Westchester County Association, Inc., with offices at 235 Mamaroneck Avenue, White Plains, N. Y., and representing more than 500 members from all areas of Westchester County, to appear at this proceeding, clearly in support of the application of Consolidated Edison Company of New York, Inc. for the issuance of the operating license now sought by this corporation.

Respectfully,

Daniel J. O'Brien
