In the Matter of
CONSOLIDATED EDISON COMPANY
OF NEW YORK, INC.
(INDIAN POINT UNIT NO. 2)

Docket No. 50-247

M O T I O N

Intervenor, Environmental Defense Fund, Inc. by their attorney, Anthony Z. Roisman, move for the entry of an order adjourning the proceeding or withdrawing the notice of hearing until the Applicant has complied with the Appendix D of Part 50 of 10 CFR, until the AEC has complied with the requirements of the National Environmental Policy Act of 1969, until the notice of hearings has been reissued to indicate the full scope of environmental issues to be considered at this hearing as required by the National Environmental Policy Act of 1969 and until such further reasonable time as shall be required for intervenor and other interested members of the public to prepare for hearings on the issues which are raised by the proper application of the National Environmental Policy Act.

In support of this motion, intervenor states:

Hearing

B110310594 701201
PDR ADDCK 05000247
G PDR

1. The notice of hearing in this proceeding does not indicate that any environmental issues will be considered at the hearing.

2. The applicants environmental statement as supplemented does not comply with the AEC's interim guidelines for implementation of NEPA.

3. The detailed environmental statement filed by the AEC on November 24, 1970, is not in compliance with NEPA in that it does not include complete studies of all relevant factors and does not include any study of the alternatives to the presently proposed design and operation of this plant.

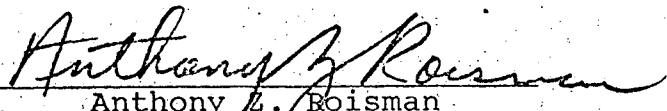

4. Intervenors and the public in general have not had an opportunity to carefully examine the detailed environmental statement (even assuming it were adequate) and to prepare interrogatories, motion for production of documents, lists of witnesses to depose, lists of witnesses to present at the hearings, and motions on legal issues all with respect to the environmental statement.

Therefore, intervenor respectfully requests that this motion be granted.

Respectfully submitted,

BERLIN, ROISMAN AND KESSLER
