DOCKET NO. 50-247

PETITION FOR LEAVE TO INTERVENE  
BY THE STATE OF NEW YORK

Pursuant to Section 2.714 of the Commission's Rules of Practice, Section 274 of the Atomic Energy Act of 1954, as amended, and in accordance with the provisions of the Commission's Notice of Hearing dated November 13, 1970, the State of New York, acting by and through its Atomic Energy Council, hereby petitions for leave to intervene in the above captioned proceeding and become a party thereto upon the following grounds:

1. This proceeding is to consider the application of Consolidated Edison Company of New York for an operating license which would authorize the operation of Con Edison's Indian Point Nuclear Generating Unit No. 2, in the Town of Buchanan, Westchester County, New York State.

2. The interest of the State of New York in the health and safety of its people requires that all matters pertaining to the safety of the nuclear power plant proposed in the above captioned proceeding be thoroughly considered.

3. Under Section 104 of the Commerce Law of the State of New York, the Atomic Energy Council is given the functions of coordinating regulatory programs of the agencies and instrumentalities of the State affecting atomic energy activities in New York, of coordinating the participation of the agencies and instrumentalities of the State in the regulatory processes of the Federal Government affecting atomic energy activities in New York State, and of coordinating the presentation of views of such agencies and instrumentalities for consideration by appropriate Federal agencies.

Dear Mr. McCool:

It is my understanding that there will be a hearing on December 17, 1970, to consider the application filed by Con Edison for an operating license for Unit 2 of the Indian Point Nuclear Station at Buchanan, New York.

I would like to file a written statement setting forth my position on the issues involved in this proceeding, and will send you such a statement prior to the December 17 hearing.

With best regards.

Sincerely yours,

Ogden R. Reid
