)
Consolidated Edison Company) Docket No. 50-247
of New York, Inc.)
(Indian Point Station, Unit No. 2))

ANSWER OF APPLICANT

Pursuant to the Commission's "Notice of Hearing on an Operating License" in this proceeding published November 17, 1970, and pursuant to Section 2.705 of the Commission's Rules of Practice, Consolidated Edison Company of New York, Inc. ("Applicant") hereby answers as follows:

1. Applicant's position is that the information in its Application and amendments thereto, together with further information to be supplied at the hearing on such matters as the substantial completion of the facility and compliance with the requirements of Part 140 of the Commission's regulations, is sufficient to entitle it to a facility operating license.

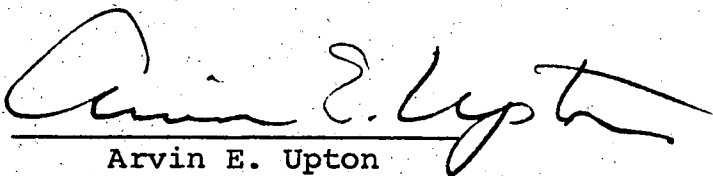

2. Applicant agrees that the issues specified in the Notice of Hearing are proper for the hearing scheduled in this proceeding.

3. Applicant proposes to appear at said hearing on December 17, 1970 and present evidence on the issues specified in the Notice of Hearing; and

4. Applicant proposes to appear at the prehearing conference on December 1, 1970, the date specified in the Notice of Hearing.

Respectfully submitted,

CONSOLIDATED EDISON COMPANY
