Corton, NY 10520

Secretary of AEC  
Washington, D.C.

Dear Sirs

The Ecology group of Corton is  
concerned about the possible grant  
of a license to run the #2 INDIAN  
POINT PLANT, MONTROSE NY. We urge that  
you make it known to the Commission  
that we wish open hearings to  
be held. Thank-You

Sincerely,  
Jerry Wilson  
(Chairman Ecology  
group of Corton)
