Trial Counsel
United States Atomic Energy Commission
Washington, D.C.

Dear Mr. Conner:

I recently had an opportunity to briefly inspect an opinion you issued on October 31, 1966, regarding a request from The Conservation Center to intervene in the matter of the Indian Point nuclear generating station Unit No. 2 of Consolidated Edison Company.

Is a spare copy of that opinion, with the reference exhibits available? If so, would you be good enough to send me a copy?

Thanking you in advance, I am,

Sincerely yours,

Adolph J. Ackerman
