Re: Consolidated Edison Company
of New York, Inc.
(Indian Point No. 2)
Docket No. 50-247

Dear Mr. Chairman:

This is to confirm that the brief submitted on April 8, 1971, by Angus McBeth, is also to be considered the brief on behalf of the Environmental Defense Fund.

I should also like to draw the Boards attention to Section 556(d) of U.S.C. Title 5 (the Administrative Procedure Act) which indicates that in proceedings such as this (see 5 U.S.C. Section 554) a party is "entitled to present his case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts." We submit that it is in exercise of that right that the motion for discovery has been submitted.

Sincerely,

Anthony Z. Roisman
