Re: Consolidated Edison Company
of New York, Inc.
Indian Point Unit No. 2
Docket No. 50-247

Gentlemen:

Applicant hereby requests that a hearing be scheduled in the above-captioned proceeding on or about April 29, 1971. Such a hearing would permit the Board to be apprised of progress of the parties in the proceeding; to consider further the approach to be taken to a continuous session of hearings; and to provide whatever consideration is appropriate for the legal questions and other matters which have emerged in the proceeding. A hearing on April 29 would also provide an opportunity for Applicant to introduce into evidence answers to questions posed by the Board at the hearing on March 24.

Applicant has completed its response to the second round questions of the Citizens Committee for the Protection of the Environment. The AEC Regulatory Staff is scheduled to complete its response to these questions by April 26. Applicant believes that on April 29 it would be appropriate for the Board to give consideration to and establish a future date for the continuous session of hearings in this proceeding.

Very truly yours,
