Re: Consolidated Edison Company of New York, Inc.,
Indian Point Station Unit No. 2
AEC Docket No. 50-247

Dear Mr. Chairman:

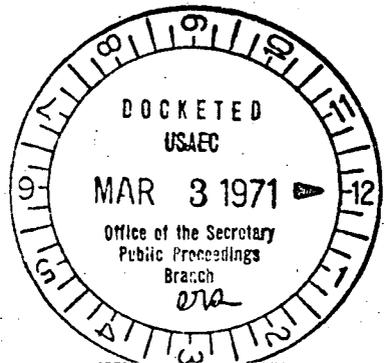

I am in receipt of your letter of February 22, 1971 suggesting a conference type of hearing for Tuesday, March 23, 1971. I have also received the letter of the Atomic Energy Commission Staff suggesting the date of March 24, 1971. Either date is acceptable to the Hudson River Fishermen's Association.

The letter of Consolidated Edison's Attorneys accurately lays out HRFA's present position in this hearing and I see no need to add thereto.

Yours sincerely,

Angus Macbeth
