U.S. Atomic Energy Commission

In the Matter of Consolidated Edison Company of New York, Inc.  
Indian Point Nuclear Generating Unit No.2, Docket No. 50-247

Gentlemen:

I request to be permitted to make a "limited appearance" at the next public hearing in the above proceedings.

Although I am a member of the Citizens Committee for the Protection of the Environment and the Environmental Defense Fund, intervenors in these proceedings, I wish to speak as an individual because it is my understanding that certain questions relating to the routine release of radioactivity to the environment may not be raised by any of the intervenors.

I realize that the Board's time is valuable and that it is desirable to streamline these proceedings as much as possible, but their final decision should be based on all the pertinent facts. It is with this in mind that I make my request.

I also request to be notified as to the time and place of all future hearings in the case.

Very truly yours,

*Richard E. Cruger*
