In the Matter of Consolidated
Edison Company of New York,
Inc. - Docket No. 50-247

Dear Sir:

We deeply regret having been late in requesting permission for our Daniel J. O'Brien to make a limited appearance. Please be assured that this was an oversight.

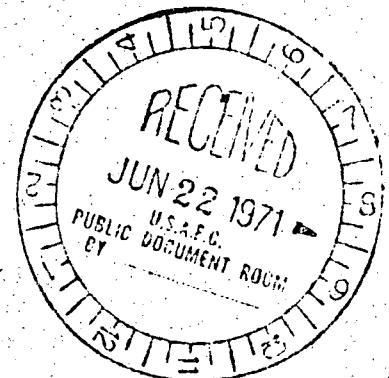

In accordance with the information in your kind letter of June 14, 1971, we enclose copies of our intended statement. Similar copies have been forwarded to interested parties listed in your letter.

We still hope that available time and the reaction of interested parties will result in your permission for our Mr. O'Brien, who will be present, to make the statement orally.

We are grateful for your considerations.

Sincerely,

Daniel J. O'Brien
