Dear Mr. Johnson:

This is in response to your letter of August 17, 1971, to Mr. Joseph J. DiNunno, Director, Office of Environmental Affairs, concerning the AEC's implementation of the National Environmental Policy Act of 1969 as it affects the Indian Point Station. I am enclosing for your information a copy of the final detailed statement for Indian Point Station Unit 2.

On July 23, 1971, the United States Court of Appeals for the District of Columbia Circuit decided the consolidated cases of Calvert Cliffs' Coordinating Committee, Inc., et al. v. U. S. Atomic Energy Commission, et al. As the enclosed public announcement indicates, we are presently reviewing all environmental statements that have been issued and those that are in preparation in order to determine what modifications may be needed to conform to the Court's decision. We will be pleased to send you a copy of any revised statement that may be issued for the Indian Point Station.

Sincerely,

Original Signed by  
Chris L. Henderson
