Mr. Joseph J. DiNunno
Director
Office of Environmental Affairs
Washington, D. C. 20545

Dear Mr. DiNunno:

Could you send me any materials regarding the implementation of the National Environmental Policy Act as it affects the Indian Point nuclear power plant, now being built by Consolidated Edison of New York.

I am doing a study of the effects on business of the implementation of the Act and would appreciate any materials you may be able to send me.

Thank you for your attention to this request.

Very truly yours,

Charles E. Johnson
