Re: Indian Point Unit No. 2
Docket No. 50-247

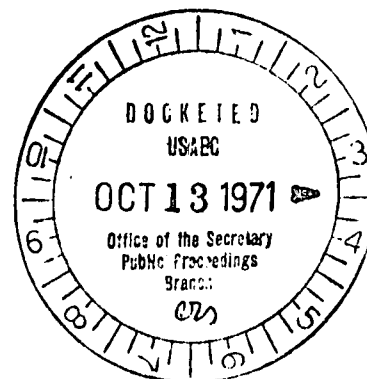

Dear Mr. Roisman:

I have a copy of your letter of October 8, 1971 to Mr. Martin concerning the understandings reached among Con Edison, HRFA and EDF. The letter summarizes the discussion on the record at the hearing on October 5, 1971 fairly well. However, there were some points of the understanding which were discussed on October 5 but which were not mentioned in your letter and items 4 and 6 need to be clarified by reference to the transcript. As you know, we are presently preparing a proposed stipulation which we intend will cover these matters in detail.

Sincerely yours,

Leonard M. Trosten
