Dear Madam:

This will confirm the telephoned arrangements made September 17, 1971. I understand your conference room will be reserved for use by the Atomic Safety and Licensing Board. They will need the space commencing at 9 a.m. on October 5 and 6, 1971 for a public hearing and will resume on November 1, 1971 continuing at the order of the Chairman.

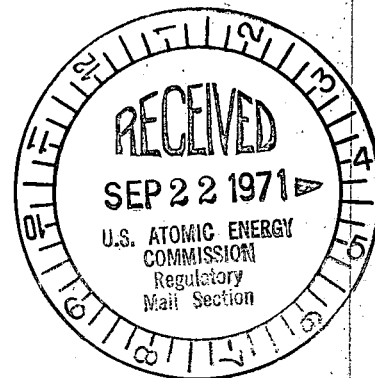

I will promptly inform you should there be a change of schedule. Please make the same arrangements of the space as we discussed, forwarding the bills to me for processing. The space will be used for the resumed public hearings regarding Consolidated Edison Company of New York (Indian Point, Unit 2), Docket No. 50-247.

Thank you for your cooperation and helpfulness.

Sincerely yours,

Clark V. Swanson
