In re: Consolidated Edison Company of
New York, Inc. (Indian Point
No. 2) Docket No. 50-247

Dear Mr. Chairman:

I understand Applicant's attorney to be asking only for hearings on radiological health and safety matters in his telegram of September 10th, received by me on September 13th. In so far as the hearings will not consider environmental issues under NEPA, the Hudson River Fishermen's Association does not take a position on an appropriate date for hearings to reconvene.

Yours sincerely,

Angus Macbeth
