Re: Consolidated Edison Company
of New York, Inc.
Indian Point Unit No. 2
AEC Docket No. 50-247

Gentlemen:

In its letter of February 8, 1972 the Regulatory Staff proposed modifications to the proposed findings of fact and conclusions of law submitted by Applicant on January 28, 1972.

Applicant's reply to this letter is as follows:

8111050238 720310
PDR ADOCK 05000247
G PDR

Item 7. The sentence suggested by the Staff should be inserted between the first and second sentences in paragraph 44 of Applicant's proposed findings, rather than substituted for the second sentence.

Item 10. Applicant does not agree that paragraph 86 of Applicant's proposed findings is superfluous.

Very truly yours,
