In the Matter of Consolidated Edison Company of New York, Inc.
Indian Point Nuclear Generating Unit No. 2
Docket No. 50-247

Gentlemen:

Reference is made to my letter to the Board, dated February 23, 1972, wherein I requested an extension of time until March 6, 1972 to file the response of the regulatory staff to the Findings of Fact and Conclusions of Law in subject proceeding. The technical members of the regulatory staff required for the review of the findings have been in continuous session at the ECCS rulemaking hearing until the close of business this day. We request an extension of time to file our response to the Findings of Fact until March 10, 1972.

Respectfully,

Myron Karman
Counsel for AEC Regulatory Staff
