Subject: Status update for revised Certification of Financial Assurance

(NOTE: This will be used as the Documents Title in ADAMS)

I spoke with David Burton to ascertain where they were in revising their Certification of Financial Assurance. The revised CFA is still circulating. Major Butler is the person trying to get this pushed through. Currently they are waiting on appropriations documentation to support the revised CFA. They are supposed to get this documentation on January 15th. They are then hoping to get the complete package to Major General Carla Hawley-Bowland by Tuesday or Wednesday of next week for signature. David Burton said he will fax it over as soon as it is signed and I gave him the mail control number to reference. If everything goes to plan, we should have this documentation by January 22.
