Dear Dr. Petrella:

This refers to your amendment request dated October 21, 2009, to add Mohammad Naveed, M.B., B.S. as an authorized user for 10 CFR 35.100, 35.200, and 35.300 byproduct materials.

Your submitted information is insufficient to grant your amendment request because the board certification is not NRC recognized in that it did not note "AU Eligible" above the ABR seal. In addition, a preceptor attestation was not provided. If in the future you wish to pursue this authorization for Mohammad Naveed, M.B., B.S., please provide completed NRC Forms 313A(AUD) and 313A(AUT). Please review 10 CFR 35.290 and 35.390 for training and experience requirements.

For the reasons stated above, we have voided your amendment request dated October 21, 2009. This action is without prejudice to resubmission.

If you have any questions or require clarification on any of the information stated above, please contact us at (630) 829-9892.

Sincerely,

A handwritten signature in cursive script that reads "Jose Macatangay".
