Gentlemen:

Pursuant to the agreement between the parties in subject proceeding, responses to the proposed Findings of Fact and Conclusions of Law filed on February 8, 1972 are to be filed by February 28, 1972. As a result of the press of office business, and the continuous rule-making hearing on the emergency core cooling system interim criteria, the regulatory staff requests an extension of time to file its response to the Findings of Fact until March 6, 1972.

Respectfully,

Myron Karman  
Counsel for AEC Regulatory Staff
