Re: Consolidated Edison Company  
of New York (Indian Point, Unit  
No. 2)

Gentlemen:

The enclosed brief is in support of our position with regard to the certified questions. It includes some reference and materials which the Applicant contends contain proprietary information such as references to proprietary documents and quotations from in camera transcript. We are, therefore, mailing this brief only to the Applicant, Staff, and ASLB and yourselves, with a copy of this letter to all parties.

We anticipate that within the near future, Applicant will advise the Appeals Board whether all or a portion of our brief is acceptable for public distribution and if so, we would serve it upon the remaining parties and the Public Document Room.

It is our view that no part of our brief contains any objectionable material for public purposes and we reserve the right to later request that it be made public, if Applicant fails to give its approval to the public release.

Sincerely,

*Anthony Z. Roisman*
