In the Matter of Consolidated Edison Company of New York, Inc.
Indian Point Nuclear Generating Unit No. 2
Docket No. 50-247

Gentlemen:

This is in further response to the Board's request letter of December 27, 1971, requesting the parties to provide the Board with certain information.

In partial response to the Board's letter, the staff transmitted to the Board and parties on December 30, 1971 copies of our environmental statement with respect to the applicant's pending motion for a partial power operating license.

In response to the Board's inquiry regarding a proposed agenda for the session of the hearing in the captioned matter which is scheduled for January 11, 1972, the staff will be prepared for the following:

1. Respond in camera to the interrogatories of intervenor Citizens Committee for the Protection of the Environment dated December 23, 1971 regarding the physical security plan for Indian Point Unit 2.
2. Respond to questions concerning the repair program for repairs of the Indian Point facility as a result of the recent fire.
3. Offer in evidence and respond to questions regarding the environmental statement.
