Dear Mrs. Colt:

This will confirm our telephone conversation on October 13, 1972, concerning our need for public prehearing space. It is our understanding that you have reserved the All Purpose Room for two weeks beginning December 4, 1972 for our Board hearing of the Consolidated Edison of New York (Indian Point No. 2) project. Docket No. 50-247.

Attached is a diagram which indicates the desired seating arrangement.

If you have need to contact our office please call Area Code 301/973-5896.

Sincerely,

Chase Stephens
