Paul and Scott

It was good to meet with you and your team over the last 2 days, As I mentioned at our meeting, here is a link to the Florida TMDLs:

<http://www.epa.gov/region4/water/tmdl/florida/>

Also, here is the EPA link that Cecelia Harper just sent out with the 303(d) info for the Withlacoochee River Basin - -it appears that all TMDLs approved/established in this basin to date are for BOD, Nutrients, and Low DO:

best regards,

Paul
