Region 1
U. S. Atomic Energy Commission
970 Broad Street
Newark, N. J. 07102

Dear Mr. O'Reilly

This is in response to your letter of April 23, 1973 to Mr. William W. Lapsley requesting us to identify those portions of RO Inspection Report No. 50-247/73-07 prepared by personnel of Regulatory Operations relating to the above referenced facility which, pursuant to Section 2.790 and 9.5 of the Commission's Rules and Regulations, should be exempt from disclosure.

We understand that information in the referenced document constitute trade secrets, inventions and discoveries and/or proprietary data of Westinghouse Electric Corporation within the meaning of Section 9.5 (a)(4)(i) of the Commission's Rules and Regulations. The information, therefore, should be withheld from public disclosure in accordance with the Commission's Regulations. Those pages of the referenced document containing proprietary information are attached hereto and designated as Attachment A. The proprietary information has been deleted.

Very truly yours

William J. Cahill, Jr.
Vice President
