BEFORE THE ATOMIC SAFETY
AND LICENSING APPEAL BOARD

APPLICANT'S MOTION FOR EXTENSION OF
TIME TO FILE ITS BRIEFS IN RESPONSE TO
EXCEPTIONS OF OTHER PARTIES

Consolidated Edison Company of New York, Inc.
("Applicant") hereby moves, pursuant to 10 C.F.R. Section
2.711, for an extension of time in which to file its briefs
in response to those filed by Citizens Committee for Protection
of the Environment ("CCPE"), Hudson River Fishermen's
Association ("HRFA") and the Attorney General of the State
of New York ("the Attorney General") in support of their
exceptions to the Initial Decision issued on September 25,
1973.

Good cause exists for granting this motion. The
numerous exceptions and arguments in support thereof filed

by other parties in this proceeding pertain to factual and legal issues which, having been considered over the course of almost three years of hearings, are reflected in voluminous testimony and legal documents. The additional time is necessary in order to complete Applicant's analysis of these exceptions and arguments as well as the extensive record in this proceeding. No party will be prejudiced by the granting of this motion.

Accordingly, Applicant respectfully moves that its time to file its brief in response to exceptions of CCPE be extended until not later than Tuesday, November 20, 1973 and that its time to file its briefs in response to exceptions of HRFA and the Attorney General be extended until not later than Friday, November 23, 1973.

Respectfully submitted,
