Paul and Scott

It was good to meet with you and your team over the last 2 days, As I mentioned at our meeting, here is a link to the Florida TMDLs:

<http://www.epa.gov/region4/water/tmdl/florida/>

Also, here is the EPA link that Cecelia Harper just sent out with the 303(d) info for the Withlacoochee River Basin - it appears that all TMDLs approved/established in this basin to date are for BOD, Nutrients, and Low DO:

http://iaspub.epa.gov/tmdl_waters10/huc_rept.control?p_huc=03100208&p_huc_desc=WITHLACOOCHEE#WATERBODY

best regards,

Paul
