of New York, Inc.)
(Indian Point Station, Unit No. 2))

APPLICANT'S MOTION FOR
EXTENSION OF TIME TO ANSWER
MOTION OF THE ATTORNEY GENERAL
OF THE STATE OF NEW YORK FOR RECONSIDERATION

Pursuant to 10 C.F.R. 2.711, Consolidated Edison Company of New York, Inc. ("Applicant") respectfully requests that the Board grant an extension of time, until September 4, 1973, for Applicant to file its answer to the August 13, 1973 "Motion of the State of New York for Reconsideration of Applicant's Motion for Issuance of A License Authorizing Limited Operation and the Initial Decision of the Board Authorizing Continued Testing and Steady State Power Operation at 50 Per Cent of Full Power Through September 30, 1973."

Applicant submits that good cause exists for granting this request because the Attorney General's motion, and his

letter dated August 8, 1973, make certain assertions which are being presented suddenly and for the first time in this lengthy proceeding. In view of the other pending matters herein, the additional time should be allowed for Applicant to file its answer.
