In re: Consolidated Edison Company
of New York, Inc.
Indian Point Unit No. 2
AEC Docket No. 50-247

Dear Mr. Chairman:

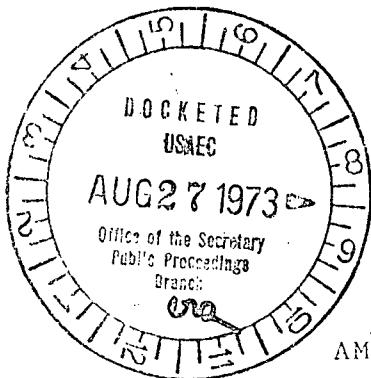

I am writing in response to the Chairman's letters of August 9, 1973 and August 17, 1973 and counsel to Con Edison's letter of August 16, 1973, all dealing with the quality assurance program involving Indian Point Unit No. 2.

The Hudson River Fishermen's Association has not previously taken a position or presented contentions in this proceeding on the issue of the quality assurance program. The HRFA does not take any position on that issue now, and therefore, takes no position on further consideration or hearings related solely to that issue.

Yours sincerely,

Angus Macbeth

Attorney for Hudson River
Fishermen's Association
