In re: Consolidated Edison Company  
of New York, Inc.  
Indian Point Unit No. 2  
AEC Docket 50-247

Gentlemen:

I received Applicant's Proposed Corrections to the Transcript and the Appendix thereto on January 23, 1974, and am now replying to them within the five day period set by the Appeals Board at oral argument. Tr. 14-15. These responses are, of course, brief. Most of the points raised by the Applicant at oral argument are dealt with at greater length and with fuller citation to the evidentiary record in HRFA's Memorandum in Support of its Exceptions, October 29, 1973, HRFA's Brief in Opposition to Applicant's Exceptions, November 26, 1973, and HRFA's Proposed Findings of Fact, June 11, 1973.

I would also like to take this opportunity to correct two errors in HRFA's Brief in Opposition which could be confusing. The phrase, "To the contrary," should be struck out on p. 17, 1.5. The chart at the top of p.45 should be struck out.

Yours sincerely,

*Angus Macbeth*
